

Get Community Payback

odug UK

App that facilitates community payback projects by offering users a platform to suggest, tag, and post a picture of such projects on a map, which is shared with respective probation trusts

Situation

- App provides the users with a platform to suggest community payback projects
- Users can take a photo and tag the location on a map, and the app sends the nomination to local probation trust which considers it for suitability, health ,and safety implications
- **Organisation type:** Not for profit
