

# Find My Library

**An app that allows users to find the nearest library in the vicinity, share reviews, and provide information about facilities offered by the libraries**

## Situation

- Helps users find the nearest public libraries in the vicinity
- It is designed to share reviews and provide information on the facilities offered by libraries
- There is a mapping page that shows the spread of public libraries across the UK
- **Organisation type:** Individual developer
- **Contact:**  
Email: [dave@findmylibrary.co.uk](mailto:dave@findmylibrary.co.uk)

UK

Education

## Challenge/Opportunity

- Public libraries remain one of the least promoted public amenities in UK and the 'Find My Library' tool enables users to find resources and connect with local libraries

## Approach/Solution/Business model

- Free
- **Type:** App based reuse

## Open data used

- Library dataset including library locations, contact emails, names, etc. from data.gov.uk
- Google's geolocation service
- Network or GPS for location data

## Benefits

- Reference tool
- Accessibility
